

William
FINE BONE CHINA

Solar
FINE BONE CHINA

Bone China is unquestionably the strongest and whitest ceramic body produced. Natural additives result in a durability that allows for a thinner and lighter product with a whiteness that will enhance the colours of any food. The exceptional heat retention of Bone China is an innate characteristic; you can be confident that food will still be steaming hot!

William is an elegant plain white wide rim.

Solar is a contemporary embossed wide rim.
